

Rosewell Primary School
Friday Feedback 19th January 2018

Nursery News

- The snow has enabled us to look at water and its properties:
- We have been exploring freezing and melting and are conducting an experiment to see how long it will take two piles of snow to melt.
- We also have been looking at measurement, and how we can record and display this. We measured our feet and height. We have used lots of different equipment to measure with including parts of our own body.
- We enjoyed the story of The Gingerbread man and also baked Gingerbread Biscuits exploring the story and looking at repetition and rhyme

We are going to launch Midlothian's Big Bedtime Read in the nursery– look out for information about how you can take part

Can we ask everyone to bring in their favourite books to share with us next week?

Care Inspectorate

Our Care inspection report has now been published and we will be posting it on the school website and a copy will be available in the nursery as well. We are delighted with the feedback. A highlight from the report was:

" Staff were clearly familiar with the individual needs of each child and ensured personalised care and support was provided. We found staff to be sensitive towards children with additional needs. Staff had established positive relationships with children and families, showing great respect and empathy. Staff worked well as a team to support all children in accessing the full nursery curriculum and provided a respectful, holistic care for children and families."

Well Done Nursery Team

Commonwealth Passport

Active Schools' Commonwealth Passports should be with you now. Don't forget to record any sports or activities that your child takes part in on a regular basis.

Parent Consultations

If you haven't already, please return your slip to request an appointment time for parent consultations on Tuesday 27th and Wednesday 28th February .

Parent Calendar and Termly Overviews

You should have received both these handouts this week. The parent calendar has all key dates for the rest of term. There are some changes to these so please check it carefully. The termly overview gives you an idea of some of the key learning this term. If you haven't received them then please let us know and we will get a copy to you.

Dates below:

	Week beginning 22 January 2018
Monday	
Tuesday	
Wednesday	
Thursday	P4/5 Kindness assembly (parents welcome)
Friday	P4-7 Friday Mile (indoors if weather does not allow us to go outside) P1-3 Shared Start (we are going to run this fortnightly this term)
