Open Day Thursday 16th November

If you have a child who is due to start P1 in August 2018, we are holding an Open Day on Thursday 16th November from 9am – 12noon. Parents are welcome to pop in for a visit and have a look around the school before registration week. Posters should be on display around the village next week.

Shoebbox Appeal

Thank you to everyone who handed in a shoebox for the Blythswood Appeal. We collected 29 in total and handed these over this week.

A Polite Plea

We are trying very hard to develop independence in children. That includes relying on children to remember when they have school trips, school lunches, how they are getting home from school and if they need certain items for the school day eg wellies. Our poor office staff have been rushed off their feet this week running backwards and forwards delivering messages and items of clothing to all classes. This means there are times in the day when the office is unmanned and this has an impact on the running of the school. We appreciate that now and again children might forget but it is becoming a bit of a regular occurrence. Please can you encourage children to check their bags and know what events are coming up and be prepared. Thank you for your support with this.

Hockey

Well done to all the children who participated in the Active Schools Hockey event. They did extremely well against tough opposition.

Rosewell's Got Talent

We will be holding our talent competition on Saturday 9th December on the same day as the Christmas Fair. Children have been asked to complete an application form if they would like to enter. We will be holding auditions very soon. We are looking forward to seeing what talents are waiting to be uncovered !

Christmas Fair

Plans are coming together for the Christmas Fair . We are looking for donations of good quality toys and books as well as home baking nearer the time. More information to follow.

P7 Camp

Our P7s returned from camp today after a very busy but enjoyable week. A huge thank you to Mrs Douglas for helping and supporting the P7s. Mrs Somerville and I both visited during the week and the feedback that we got from group leaders at camp was that Rosewell pupils were outstanding in terms of their effort and good manners . We are feeling very proud and are looking forward to seeing everyone on Monday after a well-earned rest.

Outdoor Learning and Woodland Classroom

Whilst the P7s were away the rest of the school took part in an Outdoor Learning Afternoon on Tuesday and then visited the new Woodland Classroom in Thornton Woods on Wednesday. It was very muddy and messy but we had great fun on both days and learned some new skills. If you haven't been up to the woods recently it is well worth a visit. What a great resource the Development Trust has created for the local community.
