

Rosewell Primary School Friday Feedback 15th December 2017

Nursery News

It has been a bit like Father Christmas's workshop in the nursery this week with children :

- Designing and making cards and gifts to give to others
- Taking part in winter arts and crafts using a variety of materials
- Exploring outdoors – it has been fun going out and looking at how the ice has transformed the outdoor environment
- We have also been singing lots of festive songs .

First Minister's Reading Challenge – Inspiring Classrooms

Don't forget to keep up your passports over the holidays especially if you get any new books in your Christmas Stocking . As part of the FMRC we applied for an 'Inspiring Classrooms' grant. We are really excited to share the news that we have been successful and will receive a grant towards an author visit and resources to promote reading in our school.

Christmas Fair

Thank you to everyone who came along on the day and supported the Christmas Fair and Rosewell's Got Talent. We hope you all enjoyed the day. We made a fantastic £1181.41. Thank you especially to all the school staff and pupils who worked hard to get everything ready and to the volunteers who helped with the setting up and running of the stalls. Keigan won the P5-7 RGT competition with an excellent contemporary dance and Ashleigh won the P1-4 section with a brilliant gymnastics routine . The judges found it quite tricky to select winners and were impressed with all the talent on display. It was also good to welcome some of the pupils and families from St Matthew's along as well.

We have three pink Adidas t-shirts available in reception – please come in and make a donation if you would like an extra Christmas gift to put in a stocking.

Doors Closed in the Mornings

We open the doors slightly earlier than 8.50am to allow time for all children to be in school. As we need Learning Assistants in class ready to support children and liaise with teachers we will close both doors at 8.55am. If you arrive after this time, entry to school will be through the main office. We would really appreciate if you could make it to school before the 8.55am cut-off. Thank you for your help with this.

Dates below:

	Week beginning 18th December 2017
