

Rosewell Primary School  
Friday Feedback w/c 27<sup>th</sup> November 2017

**Nursery News**

It has been another busy week in the Nursery. We had a visit from The Care Inspectorate the other day who were looking at the Nursery Environment and Care and Support of the Children. It will be a few weeks before we can share the report with everyone. In the meantime, a huge thanks to the Nursery Staff for their hard work and to the parents/carers who took part in the Care Inspectorate Questionnaires.

**Parental Engagement Week**

There are lots of events running next week. We have parents coming in for shared lunch, storytelling sessions and a book swap event. We will end the week with a Big Bedtime Read. Everyone is welcome to come dressed in pjs and slippers on Friday morning. Chocolate milk and cookies will be served.

**First Minister's Challenge**

The first few certificates have been handed out to children who are busy filling up their Reading Passports. We also have the mobile library turning up at school on Monday afternoons. If your child has a library card then they are welcome to bring it along on Monday and visit the library. We have the librarian coming into school to sign up any other children who do not have a library card.
